About Te Whanau o Waipareira Scholarships

Scholarships is a strategic component of Te Whānau o Waipareira's promotion of educational and vocational training objectives. We recognise and support academic opportunities, and our commitment to develop future global leaders within our Maori communities.

The scholarship offers financial support to study and each request is considered individually.

In assessing Scholarships, we evaluate the overall opportunity of community partnership and the impact on the community sectors in which we service.

Limitations

We regret that we are unable to fulfill or respond to every request. As you can imagine, Te Whānau o Waipareira receives a large number of Scholarships requests.

Submissions for Scholarships open for (1) month, twice a year.

- 1) **Open:** 1st February **Close out:** 28th February
- 2) **Open:** 1st October **Close out:** 31st October
